

Dear Community Partner,

Please join us on May 24 and offer your thoughts and insights about the Department of Children and Families (DCF) at a community meeting hosted by Circuit 16.

The meeting will be held on:

When: May 24, 2010

Where: Marathon Government Center 2798 Overseas Hwy,  
Marathon, Fl. 33050

Time: 1 pm to 4 pm.

We will be conducting a meeting in each Circuit throughout the month of May. The purpose of these meetings is to update clients, the public, stakeholders, vendors, staff, legislators and researchers on progress DCF has made during the year, impact of the recent legislative session, and to help set the direction of the DCF through input into the DCF's strategic plan. To the extent possible, Secretary Sheldon or his designee will attend and participate in each discussion.

Please confirm your attendance by email at [communityforum2010@dcf.state.fl.us](mailto:communityforum2010@dcf.state.fl.us) or by calling (305) 377-5055, ext. 313.

We are excited about seeing you at this important meeting and look forward to working with you to achieve our common goals.
